Welcome to the Liverpool Cricket Club Beer Festival 2026!

A very warm welcome to Liverpool Cricket Club and to our Beer Festival.

Following the fantastic response to last year's festival, we're delighted to be bringing it back. There is a huge amount of work that goes on behind the scenes to put an event like this together, so it's fantastic to see the club once again full of people enjoying good beer, good food, live music and good company.

I'd particularly like to thank our sponsors, **Lancaster Brewery** and **Colbier Brew Co**, for their support. Both breweries have brought a selection of their beers for you to enjoy throughout the weekend, including beers available on handpull, and we're very pleased to have them involved.

We have some fantastic food on offer alongside a great range of drinks. If you're looking for a recommendation, our General Manager, Dan, has put the beer list together, so he should be able to point you in the right direction!

I'd also like to thank everyone at the club who has helped make the festival happen, as well as our volunteers and everyone else who has put in the time and effort behind the scenes.

Most importantly, welcome to the club. We hope you enjoy your time with us and have a great weekend.

If you're not already a member and have ever thought about joining, we have a huge range of sporting facilities and teams here, including cricket, tennis, rugby, squash, bowls, lacrosse, padel and darts. Please do get in touch with our friendly office or bar team if you'd like any further information. We'd love to welcome you to the club.
